SELECTION RULES

The SOC Executive Board selects Olympic participants following proposals from and after discussions with the Olympic Sports Associations. To be selected as an Olympic competitor in the Olympics, individual athletes and teams must show results sufficient to compete for places 1-12.

HISTORY

Svenska Gymnastikförbundet, in 1896, and a committee appointed by Sveriges Allmänna Idrottsförbund (later named Sveriges Centralförening för Idrottens Främjande), in 1900, were responsible for Swedish participation in the two first Olympic Games.

The first Swedish Olympic Committee was founded on November 2nd 1905, in order to prepare a team for the 1906 intercalated games.

"The Swedish Organising Committee" chaired by Colonel Viktor G. Balck, was dissolved at the end of 1906.

For participating in the 1908 games, a Swedish Committee, 1907–1908, was headed by HRH Prince Royal Gustaf Adolf (the future King Gustaf VI Adolf, reigning 1953–1973). Another committee, also led by Balck, was formed in 1909 to take the responsibility for the organisation of the Games of the Vth Olympiad in Stockholm and for the participation of the Swedish team in 1912.

In its present form SOC was formed on April 27th 1913, and the statutes now in force were adopted by the Annual Meeting 2021.

SWEDEN AND THE INTERNATIONAL OLYMPIC MOVEMENT

Sweden has been part of the Olympic Movement since its inception. From the 1894 Sorbonne Congress that founded the IOC to hosting the celebrated Stockholm 1912 Games, Sweden's Olympic legacy spans over 130 years.

When Pierre de Coubertin invited personalities and organisations to support his move towards re-establishing the Olympic Games, he included the Royal Swedish Court.

On May 1st, 1894, the marshal of the Court wrote to Coubertin: "By order of HRH the Prince Royal of Sweden and Norway, I have the honour to inform you that HRH has the pleasure in accepting patronage of the International Athletics Congress from the 16th to the 24th June 1894 which you have so kindly offered him ..."

Having won this support, Coubertin then turned to the Central Gymnastic Institute in Stockholm, and of its Director, at the time Captain Viktor G. Balck (1844–1928). Balck became an honorary member of the Organising Committee for the 1894 Sorbonne Congress at which the International Olympic Committee was founded.

Attending the Congress were two Swedish delegates, representing Svenska Gymnastikförbundet, Lieutenant Fredrik Bergh and Major Sten Adalrik Drakenberg.

IOC SESSIONS IN SWEDEN

Two IOC sessions have been held in Sweden and Stockholm, the 15th session in 1912 and the 41st session in 1947, the 2nd meeting of the Executive Board with the International Federations was also held in Stockholm. The IOC Executive Board has met in Stockholm three times in 1947, 1956 and 1988.

SWEDEN AND THE OLYMPIC GAMES

Sweden has attended all Olympic Games with the sole exception of the St Louis Games in 1904.

FIRST COMPETITOR

In 1896, Henrik Sjöberg, a candidate of medicine, made the long journey from Stockholm to the Greek capital – partly on his own expense – to participate in four athletic events (high jump finishing 4th, long jump 6th, discus 7th, and 100 m where he was eliminated in the first round) and one gymnastic event (horse vault – placing unknown).

FIRST WOMEN COMPETITOR

The first Swedish woman in Olympic competition was Elsa Wallenberg in the 1908 indoor tennis tournament in London.

FIRST SWEDISH MEDAL

The first Olympic medal was of gold and won by August Nilsson, Karl-Gustaf Staff and Gustaf Söderström together with three Danes in a tugwar team on July 15th 1900 in Paris.

Since then Sweden has taken a total of 706,5 medals (including 220,5 gold) and during the Olympic Games, both summer and winter editions.

AT THE WINTER GAMES

Sweden has also attended all Olympic Winter games and was also represented in the winter sports events held in 1908 (figure skating) and

1920 (figure skating and ice hockey). The first Swedish competitor in the Winter Games was Elna Montgomery in women's figure skating in 1908 in London.

GAMES HELD IN SWEDEN

The Games of the 5th Olympiad was held in Stockholm in 1912. The stadium built for these Games was also used for the Equestrian Games of the XVI Olympiad in 1956. The Olympic Stadium is the oldest still active Olympic venues of the world and also the home for the Swedish Olympic Committee.

Stockholm was candidate city for the organisation of the Games of the XXVIII Olympiad in 2004. Sweden has been bidding, unsuccessfully, for the Olympic Winter Games in 1984 (Göteborg), 1988 and 1992 (Falun), 1994, 1998, 2002 (Östersund) and 2026 (Stockholm-Åre).

Sweden has also hosted the European Youth Olympic Festival once - 1995 in Sundsvall.

ONCE OLYMPIAN, ALWAYS OLYMPIAN

Swedish former olympians form Swedish Olympians. The aim is to promote Swedish Olympic sport, and members can be part of marketing projects of the Swedish Olympic Committee.
